Subject Report of the utilization of capital increase from Rights Offering (RO)

To Dear Directors and managers
Stock Exchange of Thailand

As Eureka Design Public Company Limited (the “Company”) offered additional ordinary shares to existing shareholders to their shareholding (Rights Offering: RO) during April 28, 2025 to May 8, 2025, in the amount of 545,657,086 shares, with a par value of 0.25 baht per share, at an allocation ratio of 10 existing shares to 3 new shares, with an offering price of 0.85 Baht per share, the Company successfully sold 63,363,927 shares, totaling 53,859,337.95 Baht. After deducting capital increase expenses paid to the Department of Business Development, Ministry of Commerce, amounting to 17,000 Baht, the net proceeds from the capital increase amounted to 53,842,337.95 Baht.

The funds raised from the fundraising did not meet the Company's plans. Therefore, the amount to be used for each purpose has been changed. The Company would like to report the results of the use of the additional capital received from the offering of additional common shares to existing shareholders in proportion to their shareholdings, ending on June 30, 2025, as follows:

(Unit: Baht)

Purpose of Capital Increase Utilization	Plan for using funds from the capital increase	Amount spent until June 30, 2025	Remaining capital increase
1. Invest to enhance business competitiveness, which may be through project investment by the Company, business and enterprise acquisition, or any other form that is in accordance with the law and regulations, including the announcements of regulatory agencies.	29,725,000.00	-	29,725,000.00
